

V3 Series

V3H2 Needle Valve

The V3 Series Needle Valve offers precise fluid control through a 5° full-metering tip and lubricated micrometer threads. Our O-ring seal arrangement eliminates contamination of system media by the thread lubricant.

- Available in angle and straight patterns
- Bracket or panel mount
- Forged brass body

Pressure Rating:

Up to 3,500 P.S.I.

Temperature Rating

-40° to 150° F

Part No.	A	B	C	D
V3H2-J	0.75	1.38	1.00	0.75
V3H2-L	0.75	1.38	1.00	0.75
V3H2-N	0.80	1.42	1.25	0.80
